

MAN AND WIFE ARRESTED ON AN ARSON CHARGE

Sutherland Accused of Setting Fire to Apartment Emptied of Furniture.

Frank Sutherland, thirty-four years old, and his wife, Mrs. Jennie Sutherland, twenty-nine, were arrested last evening at No. 116 West One Hundred and Fourteenth street, charged with arson by Deputy Fire Marshal McCartright. The arrests were made by Detective Hughes and McKinnon, and the prisoners were taken to the West One Hundred and Twenty-fifth Street Station.

On Wednesday evening Victor White, a tenant in the One Hundred and Fourteenth street house, while passing through the hall of the ground floor, detected smoke coming from the apartment supposed to be occupied by the Sutherlands. Fireman Hassell of Hook and Ladder Company, No. 23, was passing, and White called to him. After the two men had made sure the smoke was issuing from the Sutherland's flat, they forced the door and found a bundle of paper under a chair in the front room burning briskly, and say the door was saturated with oil. There was no furniture in the other rooms except a bed.

The men extinguished the fire, and Hassell reported the facts to his foreman, who notified the Fire Marshal.

An investigation was ordered and the arrests last night followed. Sutherland told the police that he was the manager of a plumbers' supply company at No. 108 East Fifty-fourth street. Both he and his wife denied all knowledge of the fire. They admitted being the tenants of the apartment, but would make no explanation of the facts.

The arrests were the first made by the new Harlem branch of the Detective Bureau.

RAILROAD TO GROW TIES.
CHICAGO, Dec. 6.—The Atchison, Topeka and Santa Fe Railway proposes to grow its own timber for railway ties. A ranch of 10,000 acres has been purchased in San Diego County, Calif., and will be planted with alpine timber. This step is taken because of increasing fear that before many years the native timber of the United States will be exhausted.
